STATE ROOM, Boston, MA

Located on the 33rd and 34th floors of Sixty State Street, State Room is a unique private function venue in the heart of downtown Boston. Offering sweeping views of the city skyline and Boston Harbor through panoramic glass walls that span 20 feet high and 120 feet across, State Room is the only independently-owned special event venue that can accommodate more than 825 guests in downtown Boston. Rich mahogany flooring creates a warm contrast to the gleaming chrome and glass "floating" staircase that leads to the mezzanine, and ivory walls provide a clean slate to transform the room into a limitless number of unique visions. There are four highly-stylized salons off of the main Great Room, including two Harborside Salons that are metropolitan in style with an air of sophisticated elegance and a view of Boston's coastline with a vantage point of nearly 30 miles, and two Cityside Suites which were designed to seamlessly facilitate fine dining and business with muted-sophistication, warm lighting and overlooking the beautiful city of Boston. The five rooms can be used together for a large gathering, or individually for more intimate social or business affairs.

VERONIQUE, Brookline, MA

Located on the first floor of the Longwood Towers complex, Veronique features two distinctive ballrooms offering dramatic settings that transport your guests to a bygone era. **The Ballroom** boasts modern-luxe design blended with rich old-world beauty. Vaulted archways and hand-carved mahogany beams define the room's soaring ceilings, floor-to-ceiling windows, spacious balcony and mezzanine. Gargoyles and relief sculpture add an extra level of styled antiquity. For discerning event hosts who prefer originality in lieu of hotel banquet rooms, The Ballroom offers an intriguing, dramatic setting for wedding receptions, bar and bat mitzvahs, corporate meetings, holiday parties, fund-raising and black-tie galas. **The Club** embraces guests with dark, sensual elegance. Deep mahogany paneling and an ornate gold-leaf ceiling create a warm ambiance further enhanced by the natural light flooding through the room's expansive windows. The venue incorporates lavish Baroque-style design through its luxurious draperies and fabrics, and intricate patterns. The Club is an ideal space for intimate weddings, elegant dinner parties, business meetings and family celebrations. Overlooking the main room is a private balcony, topped by a skylight, offering a unique setting for intimate celebrations or corporate discussions.

BELLE MER, Newport, RI

Longwood Events opened Newport's most scenic private function venue, Belle Mer, in April of 2006. Located on Goat Island, Belle Mer has redefined simple chic by combining Newport's timeless elegance with the contemporary energy and understated glamour for which Longwood Events is well-known. The interior Salon offers 18,000 square feet of indoor function space in a setting reminiscent of Miami's South Beach with custom-designed chandeliers, and sixteen-foot long white sheer curtains lining the windowed walls to offer a breezy reprieve. The Salon spills out onto 7½ acres of picture-perfect grounds on the edge of Narragansett Bay, with walkways over to the Island House, whose stone-tiled patio and open-air walls make the perfect setting for seaside dining or dancing. Belle Mer has quickly become the most sought-after venue in Newport for wedding receptions, social parties, non-profit galas and corporate events.
